## **Gateway Pregnancy Center - Elizabeth relocating to 700 North Broad Street (Prayer requested for the salvation of abortionist Steven Chase Brigham)**

**For Immediate Release**

**Wednesday, December 15, 1999**

**Gateway Pregnancy Center is relocating their Elizabeth office to 700 North Broad Street on Saturday, December 11, 1999.**

The medical building housing Gateway also is home to Steven Chase Brigham, former partner of Eric Harrah, now a born-again believer.

**“Dr. Brigham’s salvation is the number one desire of this ministry”, remarked Rev. Dean Gavaris, Executive Director of Gateway.**

**“We believe the Lord has placed us in this building ‘for such a time as this’ to be a witness to Dr. Brigham and his staff. Although we abhor the thousands of abortions Dr. Brigham has and continues to perform in his five New Jersey facilities, we believe God is seeing that He has yet another opportunity to turn to Him. We intend to boldly witness to him and his staff, while professionally operating the Gateway ministry”.**

The Gateway Board of Directors concurs. Board member Rev. Chris Larson stated "Since we must relocate from our present facility, we believe the Lord has ordained this move. The fact that the 700 N. Broad St. facility has been available for the past year and a half, clearly indicates God's divine intervention in this move."

**The primary focus of the Gateway ministry continues to be the salvation of the mothers and fathers involved in crisis pregnancies and the saving of the lives of innocent babies.**
